Subject: **NON-VOTING MEMBERSHIP OF UNIVERSITY STATUTORY BODIES**

Dear Prof. Dr. Masoom Yasinzai,

The Quality Enhancement Cells have been established with the objective to provide principal support to Vice Chancellors/ Heads of HEIs for enhancing the quality of academic functions. I am pleased to mention that the greater part of the objective has been achieved, however, its integral i.e. Internal Quality Assurance (IQA) and External Quality Assurance (EQA), is yet to; which can be achieved by further enablement and empowerment of the support.

Presence of QEC's heads, as a Non-Voting Member in statutory bodies of universities / HEIs will keep them informed about the organizations' strategic direction and enable them in devising their accordingly policy for further refinement of the academic function.

It is proposed that the Head of QEC may be nominated as Non-Voting Member of all statutory bodies of the University/DAI, thereby enabling the Head to be aware of the University/DAI strategic academic direction and play specific role in refining the Quality of Higher Education.

It would be highly appreciated, if the notification in this regard is issued before the submission of next annual report of QECs due in June 2015.

Kind regards,

(Dr. Mohammed Rafiq Baloch)
