

Climate Action

University of Malakand is committed with the United Nation Sustainable Development Goals. The university of Malakand Vision and Mission are aligned with the UN SDGs.

Vision Statement:

“To be a world class University that provides education with global perspective and local focus”.

Mission Statement:

“To produce efficient and responsible graduates through research-oriented teaching in an environment which promote and celebrates peace and diversity”.

University has taken different initiatives to implement the policy in true spirit.

1. Academic Departments (Botany, Biochemistry, Biotechnology, Chemistry, Zoology etc)
2. Reduce the usage of plastic
3. Reduce the Carbon emission
4. Increase in Vegetation, Plantation and Forest
5. Waste Management
6. Easy access to Buildings
7. Smart Buildings
8. Energy Conservation (solar panels installed)
9. Car Parking Facility
10. Water Conservation
